Knox World Mission

1 Elizabeth Matthias, Mission to the World, Germany. May the Lord richly bless the annual 6-day retreat ending June 2 with a deep meeting with God and vital fellowship. Many face serious challenges, including the pastor. She has never been busier, often with 12hr days, but sees the Lord working in marvelous ways, strengthening her soul. Mentoring and teaching openings increase.

2 Paul & Mary Beth McLean, PCC, Taiwan. June 1-15 Paul will meet with the Pinuymayan, Bunun, Tayal and Tsou Bible translation teams. May God help each team make good progress and do accurate work. The lead translator on each team is over 75 years old. May God grant them

good health and length of days to complete their mission.

SUN Bill & Sheila McKelvie, Interserve,

Newfoundland. Pray for their settling into life in St John's. Bill begins work on June 4, and Sheila needs to decide on future roles with Interserve.

4 Carluci & Christina Dos Santos, LAM Canada. Pray as Carluci processes the outcome of his trip to Colombia & Venezuela. Give thanks that a Board member went with him. They visited missionaries in 4 cities and many local leaders. They will present their report June 11 and need to know what practical response LAM should make.

5 Leah Hopp, OPC, Uganda. While in Canada she is trying to work through the many challenges of living in community on the mission station in Karamoja. Pray God will heal our brokenness. Thank God for opportunities to meet with trusted advisors.

6 C & K. Praise God for unprecedented numbers from around the world at their May meetings. They continue to rejoice in the momentum He's building. Four companies are struggling due to health, government bureaucracy, and other forms of spiritual warfare. Pray for wisdom for C this month in planning responses to a large number of funding requests.

7 Jack & Mary Anne Voelkel, praise God for safe care, guidance and anointing as they ministered to 90 missionaries in Costa Rica in May. Pray for Mary Anne as she speaks on Isaiah 40 & 41 on June 3 & 10 in their church. She will then participate in the farewell for Geri Rodman in Canada, and plans to visit Knox June 17.

8 Hanneke Cost Budde, AIM, Tanzania. I had a great furlough reconnecting with my old friends and making many new ones. Pray for safety as I have to do quite a bit of driving, picking up kids and driving to Mwanza to pick up Dr. Kathrin. Pray for the work in the villages and for Thomas, my co-worker who has been holding the fort.

9 Barbara Rahn, OMF, Cambridge. The Cambridge OMF Heart for Asia Prayer Conference is on June 9. Pray for all missionaries preparing and giving presentations. We are praying that many attendees will come to enjoy fellowship, listen and pray. May God be glorified and His Kingdom extended in Asia.

10 Jacob & Natasha Chandler, MoveIn, Toronto. Pray for their neighbourhood team as they pray and relate to neighbours observing Ramadan and Eid, and also for the 80 global teams doing the same. Ramadan ends Friday.

11 Mary Jane Fandrich, Home of Hope, Lebanon, needs wisdom and direction as she presents the need for teaching volunteers in Lebanon and that hearts will open in Dallas for the care and rescue of children in Lebanon. May she have safety and stamina on the road as she travels back to Canada and on to Lebanon later in the summer.

12 Bill Fitch, Listen to Learn, East Africa. Continue to pray that visas will be approved for Susan, Sam & Isaac, 3 of their key Kenyan staff. The hope is they'll visit all at Knox in September.

13 David & Susan Jeffery, CanIL, BC. During his summer sabbatical from teaching, Dave is leading an online course. Most of his 8 students believe God is calling them into some aspect of Bible translation. Pray for Dave's efforts to establish an online learning community, and that his students will become better equipped to serve in cross-cultural settings.

14 Geri Rodman, Intervarsity Christian Fellowship, Canada. Pray for Board meetings June 14-16 and for excellent discernment & wisdom as the Board makes many strategic decisions. June 16 the new Clearwater Leadership Centre at Ontario Pioneer Camp opens. This facility will house many teen programs during the summer. Pray for Urbana 2018 early student registration.

15 Gus & Marliese Ketola, Pioneers, London. As the government is facilitating the entrance of refugees, pray that Christians would facilitate their entry in creative ways. Please pray for **Tom and Sarah Affleck** as they move to the Ottawa Valley in early July. It is a big transition for them and they deeply appreciate your prayers.

16 Norine Love, FFM, Toronto. FFM is rejuvenating an activity that fell by the wayside in recent years – doing seminars in local churches, focusing on beliefs of Islam and how to befriend and understand your Muslim neighbour. Ask for God's guidance and HIS open doors.

SUN Sylvia Dresser, Papua. Simson Birif, who has led the church in Saman faithfully for many years and also shepherded the other churches in the district, has moved out of his area to Agats. Pray that if the move was not directed by the Lord, he will repent and return. He was elected as government representative for the area a few years ago, and thought he could do both.

18 Luke & Yuko Elliot, Aomori Christian Center, Japan. Pray for the summer camp season mid-July to early August, that we can be fully staffed, and that both campers and staff will be protected. May the seeds of the gospel be planted in many hearts and the Lord cause them to grow.

19 Rosemary Walker, AIM, Montreal. Pray for the salvation of P & G, a Chinese couple open to learning from God's Word. L is a Sudanese Muslim refugee with 3 children; until her autistic boy gets help from the School Board, it is almost impossible for her to study French, which she needs to do.

20 Chez Johnson & Katy Fuller, The Mission Hub, Knox. Thank God for wonderful partnerships with Korean Christian Fellowship and Intervarsity; they had too many students for the space in May so had to move to the Goforth Hall! They have mission movie nights, prayer meetings and trainings coming up. Pray for their community to continue to grow deep and wide, especially in the absence of all the regular students they sent off on missions trips in April.

21 Dom Goold, IVCF, U of T, Scarborough. Pray for their summer community as they attempt a "virtual community" experience. They hope to connect with students far off so they can build into one another for the sake of fall ministry.

22 Xerggyo & Hil. Praise God for complete healing of Xerggyo's operation on his back. They are enjoying doing some gardening outside their apartment with neighbours. It is a great opportunity for connecting. Their visa is an urgent need.
